Some of our summer activities are weather dependent - we will try our best to keep this schedule, but adjustments may need to be made. Keep an eye on our Facebook page for the most up to date info. We also require a signed permission slip, handed in the day before each trip, in order to participate...These can be picked up at PYW.

☀️WHAT'S UP AT PYW?☀️

We want to give a big shout out to Jen Walter, who recently stepped down from her position on the PYW Board of Directors. Jen joined the group back in 2009, and at one point or another held every position on the board - quite an accomplishment. We are truly grateful for all that Jen has given to our organization and the youth of Pittsfield.

We also want to welcome Lee Shafer to the PYW Board. Lee will make a great addition to the group - especially with her input and experience as a past PYW participant.

We truly couldn't be successful without our volunteers, especially our most amazing Board of Directors! If you are interested in learning more about what the Board does, or would like to volunteer at PYW, please give us a call or send an email. We have lots of opportunities for community members to help with!

WHO CAN JOIN PYW?

We've had a lot of questions recently about how to join PYW, and what paperwork is needed. At this time, PYW is 100% free, thanks to generous donors and grant funding. Anyone in 6-12th grade may join (this includes students who just finished 5th grade), and a membership packet needs to be filled out. For special trips, a separate permission slip needs to be signed, and turned back in at least one day before the activity. We cannot guarantee space for youth who show up the day of the trip - and in case of changes in plans, we like to be able to call youth ahead of time. For a full list of frequently asked questions (FAQs) - please check out our website - under the *About* section. Feel free to give us a call with any additional questions!

Amy Atkins will be filling in for the summer here at PYW. Amy is no stranger to PYW, she was an intern for us back in 2010. We hope you'll swing by to meet Amy. She'll be hanging out during Drop-In most days, and will also be joining us on a few trips!

PYW is funded in part by The Globe Community Fund, Carl Wallman Fund, Coit House Fund, Leslie S. and Lola M. Hubbard Fund, New Hampshire Charitable Foundation Fund, Phil and Suzie Butler Charitable Fund, and The Rolfe and Rumford Donor Advised Fund of the New Hampshire Charitable Foundation; Granite United Way; The Foss Family Foundation; The Sanderson Trust; Greater Lakes Region Children's Auction, and Merrimack County Savings Bank Foundation. Support is also provided by donations, fundraising and our very generous volunteers. If you would like to support our programs, give us a call or check out our website for more details on how to lend a hand.

The PYW Pantry will continue to be open during the summer. Please give us a call or send an email to schedule a time to pick up food, toiletries or school supplies. We have lots to share, all youth are welcome!

The Pittsfield Youth Workshop is a nonprofit organization committed to providing programs and services that empower youth by helping them to develop useful skills, self-esteem and meaningful friendships, by involving them in activities that are interesting, challenging, and healthy avenues to self discovery.
