## Updated COVID Guidelines:

We are continuing to follow CDC guidelines and we're requiring that masks be worn while indoors and while in close distance with others. Masks are still optional for outdoor activities. Staff will continue to monitor things daily and will make appropriate changes when necessary.

Please do not visit PYW if you are not feeling well, have traveled, or have been in contact with someone sick or tested positive for COVID, whether you are vaccinated or not. We appreciate your help keeping everyone safe and healthy. If you have any questions, please let us know!

A young woman with curly brown hair, wearing large grey headphones and a black t-shirt with the text 'HUGS Kindness' and a red heart graphic, is smiling broadly. She is standing in a kitchen area with white cabinets and a green backsplash. In front of her is a black electric griddle on a white countertop, with several golden-brown pancakes cooking on it. She is holding a black object, possibly a phone or a small tablet, in her right hand. A blue apron is tied around her waist. In the background, there is a black monitor and a power outlet with several cords plugged into it.

[illegible]

*The Pittsfield Youth Workshop is a nonprofit organization committed to providing programs and services that empower youth by helping them to develop useful skills, self-esteem and meaningful friendships, by involving them in activities that are interesting, challenging, and healthy avenues to self discovery.*
