Amazing things are happening at PYW!

The youth have certainly been busy this past month! From painting rocks to place around the park to put a smile on a passerby's face to making buttons to wear proudly on their sweatshirts or backpacks at school. We were also lucky enough to have a beautiful day while visiting Beech Hill Farm out in Hopkinton, NH for their ice

cream, farm animals and two incredible corn

You'll find the calendars for both November & December inside this newsletter. There is a different activity planned daily that the youth can choose to participate in or plenty of other options to keep them engaged and socializing as well.

Cooking Club is will begin in November meeting on Wednesdays and run for a total of 5 weeks. The youth will follow recipes, learn

to multitask and complete a meal from start to finish. This club has limited space, so it will be offered to the first 7 youth who sign up and will require a commitment to complete the entirety of the 5 weeks. We look forward to starting this in the coming weeks and to the warm meals that will be created and enjoyed!

This month for our Service Learning Days the youth participated in the Holiday Card Challenge that sends cards to our military serving overseas and stateside. A lot of our service men and women will not be able to spend the holiday season with their family and we have a local nonprofit that has found a way to share a smile. What started out as a small gesture has now turned into a giving movement. From designing the paper to drawing a picture with some kind words our youth showed the spirit of giving early this season. We look forward to making more smiles happen in the upcoming months!

COVID19 Update: We would first like to thank all the youth and their families for helping keep all of our friends here at PYW safe and healthy during these uncertain times. All of us here at PYW are committed to keeping up with our enhanced cleaning procedures and we'll continue our efforts here by requiring masks to be worn inside the building and when unable to be socially distant. We do ask that the youth continue to bring in either a cloth face mask or disposable and have it in place before entering the building. Since the weather has become too chilly for the windows and doors to be open for the fresh air, we will be monitoring the number of youth inside the building at one time and making adjustments as needed. We are continuing to ask that if your student stays home from school due to not feeling well or has come in contact with someone who has tested positive for COVID19 that they stay home and return to PYW when they are well. Thank you for all of your continued support!

PYW Celebrates 35 Years!

Monday, December 20th we will be burying a time capsule to help celebrate this monumental year at PYW. The youth can fill this with special tokens such as: small items that remind them of some special moment they had here at PYW or a funny and/or sentimental memory that they would like to remember again in the future.

Mission Statement

The Pittsfield Youth Workshop (PYW) is a nonprofit organization committed to providing programs and services that empower youth by helping them to develop useful skills, self-esteem and meaningful friendships, by involving them in activities that are interesting, challenging, and healthy avenues to self discovery.

PYW is funded in part by The Globe Community Fund,
Coit House Fund, Leslie S. and Lola M. Hubbard Fund,
New Hampshire Charitable Foundation Fund, Phil and
Suzie Butler Charitable Fund, and The Rolfe and
Rumford Donor Advised Fund of the New Hampshire
Charitable Foundation; Granite United Way; The Foss
Family Foundation; The Sanderson Trust; Greater Lakes
Region Children's Auction, and Merrimack County
Savings Bank Foundation. Support is also provided by
donations, fundraising and generous volunteers. If you are
interested in making a donation or would like to volunteer

The Pittsfield Youth Workshop is proud to be a partner agency of Granite United Way.
