

What's Up @ PYW?

It's the perfect time of year to be thinking of those in need and what we can do for our community. This year our youth decorated bags for Meals on Wheels in December and packed them with goodies that will be handed out within our community during the holidays.

Cooking Club was a huge hit these last few weeks. They made pizza, pumpkin cheesecake, and homemade raviolis just to name a few. We will be offering a Baking Club starting in January where we will learn to bake up some yummy, and sometimes healthy, baked treats. Look for the sign up sheet at PYW. I'm looking forward to filling PYW with the delightful aroma baked goods!

Mark your calendar for the first High School Only night of the year happening at PYW on January 14th, 2022! We'll have a campfire out in the park for roasting marshmallows and s'mores making and games inside for warming up afterwards.

Dates to remember in the upcoming months:

- Jan 4th- Youth Store Board Meeting
- Baking Club starts Wednesday, January 5th and will run on Wednesdays from 2-4PM.
- School Closed: January 17th, 2022 in observance of Martin Luther King Jr. Day. PYW will be open.
- January 14th & February 11th- High School Only night from 6-8PM.
- Feb 28th thru Mar 4th- School is closed for vacation. All activities and Drop-In hours will be announced at a later date.

To make communication faster and more efficient add our cell number to your contacts and never miss an update from PYW!

The PYW pantry continues to be open and available to the youth and their families. A variety of items are offered from basic necessities, personal hygiene products, pantry staples and more. Items vary week to week depending on what's available. Send us an email if you'd like more information.

COVID19 Update: We are continuing to follow CDC guidelines and requiring facemasks to be worn while indoors at PYW. We ask that every youth bring a reusable or disposable mask with them daily and have them in place before entering the building. We will continue our efforts here with our daily disinfecting practice and sanitizing all commons areas and used devices. Thank you for your continued support in helping us provide a safe and healthy place for the youth to come and enjoy during these uncertain times.

Please feel free to contact Laurie Sweeney or Zach Powers at info@pittsfieldyouthworkshop.org with any questions or to make a donation. Make sure to check out our website at www.pittsfieldyouthworkshop.org for our calendar of events or the latest pictures of what the youth have been doing!
