Summer Hours & Important Info

PYW is open to youth in grades 6-12, which includes students who just completed 5th grade! We require a completed membership packet to attend Drop-In activities and programs; and signed permission slips for all of our trips. These trips fill up fast, as space is limited, but we will maintain a waiting list just in case. Staff will confirm attendance and details before each trip by text. Permission slips are now available for all trips!

Take a look at the enclosed calendar for all the great opportunities we have planned this summer! We'll be heading out on weekly trips, launching an Outdoor Adventure Club, playing lots of games and doing some fun arts & crafts and STEM activities. Summer programming runs Monday-Thursday and PYW is closed on Fridays. Drop-in hours are 2-6PM and trip times will be included on the permission slips. PYW will be closed for staff vacations the week of August 24th and back to our school year schedule on Monday, August 31st! Give us a call (603) 435-8272 or text (603) 234-9788 if you have any questions, or just swing by and say hello!

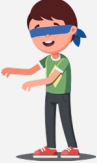

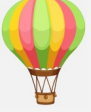

Outdoor Adventure Club

New this summer, introducing PYW's Outdoor Adventure Club! We will be heading out on some fun excursions this year, and we're looking for a few youth who are up for the challenge. We are still planning what those adventures may be, and want to get some input from you! A few ideas may include rock climbing, hiking, canoeing, fishing, biking and anything else the group dreams up. All we know is that we want to get out into nature as much as possible this summer! Let us know if you're interested in joining the group - permission slips will be available at PYW for the full four week club.
